Bristle Dartboards

Invented in 1932

The boards are made of:

1. Millions of hard sisal fibres from naturally grown plants.
2. High tensile steel wiring.
3. Staple-free bullseye and clip wiring system.
4. Removable number ring for rotation to extend the playing life.

Hammer Head

Londoner Nodor

Firehouse

Winmau

Raven

Bandit

Made in New Zealand, staple-free with interlocking wire segments embedded into the board.

Blade

Staple-free playing area with hi-tech lock-in system.

Champion Choice

Double and triple areas are one-half size, in order to sharpen playing accuracy.
